- Responsive platform: mobile, tablet or laptop

ELEVATING 3,500 BUSINESSES WORLDWIDE THROUGH SMART APPS FOR BUSINESS CENTRAL

ShipIT 365 is your All-in-one Business Central transport solution

Traditionally, transportation in Business Central requires either costly custom setups or slow, error-prone external platforms. ShipIT 365 integrates with carrier portals, allowing you to add your preferred carriers. It automatically creates a transport order with all relevant data. After selecting 'book & print,' the data is sent to the portal and then to the carrier, with shipping labels and track-and-trace info appearing in Business Central.

ShipIT 365 is also available on Tasklet Factory Mobile WMS and MultiSoft MobileNAV, allowing you to book and print shipments and labels directly from a mobile device.

Lose the hassle. Gain time. Simplify shipping in Business Central. Get ShipIT 365.

ShipIT 365 automates your entire shipping operation

Less stress, fewer errors, and more control. Get the benefits of a custom app without the high cost or long waiting. Automation minimizes human error and delivery times steadily improve. Easily book transport, print shipment labels and manage the entire logistic workflow, all within Business Central.

Simplify shipping with idyn

ShipIT 365 is available in English, Dutch, French and German.

Why ShipIT 365 saves time and money

- Saves up to 80% of shipping process time
- Efficiency through automation
- Choose the cheapest or fastest delivery option
